If you require an additional license or would like to purchase a license, please contact kelly.santalucia@owasp.com by **April 28**. Additional licenses (valid for up to 3 users) are €350. Check-in/Set-up & Tear-down

Exhibitor check-in & set-up Wednesday, May 28 5pm-8pm ****Please note that ALL exhibitors must be checked in and set up by 8pm on Wednesday, May 28.**

Exhibitor tear-down Friday, May 30, beginning at 4:30pm.

It is **strongly discouraged** for exhibitors to breakdown earlier than 4:30pm.

Vendor Passport

To help generate the most foot traffic to your expo area, we will be hosting a Vendor Passport activity. This benefit is included in **ALL** exhibitor packages.

Please remember to have your prize (valued at €50 or more), contributing to the success and excitement of the activity. **Prizes must be unused, unopened, and easily transportable for convenience during collection and travel.** If you do not have a prize, gift cards are a great option and are easy to find at a local store.

A member of the OWASP event management team will be around to collect your prize for the Vendor Passport program on Wednesday during set-up and again on Thursday morning. **Please make sure your prize is clearly labeled with your company name on the outside.**

How the Vendor Passport works:

Attendees will receive a “passport” when they check in. They must visit all exhibitor booths to receive a “sticker”. Exhibitors are to place a sticker **over their company logo only**. Once an attendee has visited all of the participating exhibitors and received their “stickers”, they will drop their “passport” in a box at the registration desk. Winners will be pulled during the closing ceremony on Friday at 4:30pm. Winners must be present to win. Your team is encouraged to attend our closing ceremony so they can be recognized. Stickers will be provided inside your on-site packet upon arrival.

Official Global AppSec EU Barcelona Networking Reception

The OWASP 2025 Global AppSec EU official Networking Reception will be held Thursday evening, May 29, in the exhibitor hall from 4:30pm-6:30pm. Drinks and food will be served. **All exhibitors are encouraged to have their booth staffed** as it is a great opportunity to network with conference attendees. Open to all registered attendees.

Shipping Goods to the Event

Before shipping any items to your stand, please make sure you get in touch with the official handling company, RESA EXPO LOGISTICS. They will be happy to solve your doubts and offer their services for reception and delivery or unloading to stand of your materials.

Please note that the venue **does not** receive, customs clear, or store incoming shipments. If you intend to ship goods directly to your stand, you need to be there in order to sign off the delivery note of your transport company. However, non-EU shipments need an importer of the record and cannot be consigned directly to the venue, as they will get stuck at customs.

Please find their contact details below and the attached document including shipping instructions and details from RESA.
